### ***Parking Changes Announced For 2022 CenterPoint Energy Dayton Air Show Presented by Kroger***

(DAYTON, OH – July 7, 2022) – Air show officials announced today major changes to parking for the 2022 CenterPoint Energy Dayton Air Show Presented by Kroger on July 30 and 31 at the Dayton International Airport.

The **General Admission parking lot** will now be located entirely on the east side of North Dixie Drive across from the air show's entrance. In addition to this change, a portion of North Dixie Drive directly in front of the gateway will be blocked to give general admission patrons a safer walk to the entrance.

More than 30 shuttle buses will shuttle attendees to their chalets or pavilions.
